

FERODO MOTOCROSS-ENDURO ROTORS

<u>Front Rotor & Pad kit</u>	<u>\$164.95</u>
<u>Rear Rotor & Pad kit</u>	<u>\$139.95</u>
<u>Front/Rear Rotor & Pad kit</u>	<u>\$275.00</u>

Kits are Available for Honda CRF, Yamaha YZF, Kawasaki KXF, Suzuki RMZ

The all new Cobra Ferodo MX series stainless steel racing rotors for Motocross, Supercross & Enduro racing. These rotors feature an all new petal design maximizing load path and thermal management and increased wear life. These rotors are Cryogenically processed for 36 hours in controlled liquid nitrogen vapor system.. This treatment ensures for superior hardness, increased longevity thus superior performance. Each Kit includes a front or rear rotor and pad kit.
