Factory Pro Racing is your motocross and enduro wheel set specialist. We have years of experience building all types of off-road wheels. We utilize USA made billet hubs as well as OEM hubs matched with EXCEL Takasago rims or the new BEHR Saxess German rims. We can also provide our customers with Talon & RAD MFG hub sets. We utilize oversize stainless spokes and nipples which are of the highest grade ensuring superior strength than your OEM wheel. We have wheels for all the current Japanese models and most European brands. See also our individual rim pricing sheet if you just need replacement rims.

Wheelset Prices are typically \$700 to \$1100.

HONDA, YAMAHA, KAWASAKI, SUZUKI, KTM, HUSQVARNA
