

# Wheel Building, Lacing & Truing Supermoto, MX & Enduro

Factory Pro Racing is your wheel building service for supermoto and Motocross bikes. Through our years of wheel building experience we are able to make sure your wheels are properly offset so you have no tire or chain rub problems. We also offer spoke kits for all your Supermoto and MX/Enduro conversions.

We offer the following Wheel building services:

Wheel Lacing & Truing  
Supermoto & MX conversions  
Mini bike setups

## Pricing for Services per Wheel
