

Motocross-Supermoto-Enduro Billet Hubs

Factory Pro Racing utilizes hubs that are CNC machined in the USA from solid billet 6061 aluminium. All the hubs come completely assembled, including bearings, seals, and bearing crush spacers. The hubs we utilize are all one piece construction that are stronger than OEM hubs. Complete hub sets range in pricing from \$400 to \$600.

Current Model Range:

Honda	CRF 150, 250, 450
Honda	XR-650r
Husqvarna	TC/TE/SMR 250, 450, 510, 610
KTM	SX, XC, SMR 250, 450, 525
Kawasaki	KXF 250, 450
Suzuki	RMZ 250, 450
Suzuki	DRZ
